STIPULATIONS REGARDING EXPERT DESIGNATIONS

TO THE HONORABLE COURT:

Pursuant to Rule 29 of the Federal Rules of Civil Procedure, plaintiffs and defendants Wood County, Kelly Smith, Kevin Atkinson, Stephen Cates, James A. Brown, and William Miles Tucker¹ agree and stipulate to the following:

1. The parties have filed a joint motion to amend the current Docket Control Order, extending certain deadlines, including the deadlines for plaintiffs' designation of expert witnesses with written reports and for defendants' designation of expert witnesses with written reports. The current deadline for plaintiffs to designate expert witnesses and provide reports is October 11, 2018. The current deadline for defendants to designate expert witnesses and provide reports is November 12, 2018. The parties sought to extend the respective expert designation deadlines by approximately thirty (30) days for the plaintiffs and approximately thirty (30) days for the defendants.
2. The plaintiffs' deadline to designate expert witnesses and provide written reports will be stayed until the Court grants the motion to amend the Docket Control Order or until two (2) weeks after the Court denies the motion. Plaintiffs' new deadline to designate expert witnesses and provide written reports will be the date indicated in the amended Docket Control Order or two weeks after the date of the order denying the motion to amend the Docket Control Order.
3. The defendants' deadline to designate expert witnesses and provide written reports will likewise be stayed until one (1) month after the new deadline for plaintiffs' expert designation and reports.
4. These stipulated extensions will not affect the time set for completing discovery, a hearing for a motion, or the trial date.

¹ It is unknown whether pro se defendants John Hammack and Jerry Boone joint in this joint stipulation.

Respectfully submitted,
